Hi Sean

No I haven't heard from anyone and I had a look in the system and can't see anything, Justin is not in today so I can't check with him...when he returns (I think tomorrow) I will check with him and let you know if he has anything.

It would be great to continue with this DA and I am looking forward to seeing plans for the roof top bar!

Regards

The Bankwest receiver stopped me from getting this approval which would have added value!

Hi Vanessa,

Has anyone contacted you regarding planning approvals for the National Hotel Fremantle and if so have any plans been lodged or updated for the Rooftop Bar?

The Bankwest receiver stopped me from doing this which would have added value. They said they would do it - But they didn't.
